Intuitive Studies Gordon Smith 2012-05-07

During the many years he spent delivering messages of hope and love from the spirit world, Gordon Smith has observed how many people long to learn how to be more intuitive themselves, and would love to be able to connect to the other side in the same way he does.

Gordon feels strongly that developing your intuitive gifts should be something that gives you joy, brings you clarity and makes you more contented in your life. Based on his experiences of teaching and guiding complete beginners on their paths to communicating with spirit, this book provides simple and easy-to-follow exercises that will help you sharpen your psychic senses, open yourself to receive communication from your spirit guides and interpret the telepathic language of spirit. Once you have learned the basics and gained confidence in your skills, Gordon then guides you to the next step of your journey, showing you how you can use this very special energy to help others.

Home Fire Kamila Shamsie 2017 "Ingenious... Builds to one of the most memorable final scenes I've read in a novel this century." --The New York Times WINNER OF THE 2018 WOMEN'S PRIZE FOR FICTION FINALIST FOR THE 2019 INTERNATIONAL DUBLIN LITERARY AWARD LONGLISTED FOR THE MAN BOOKER PRIZE The suspenseful and heartbreaking story of an immigrant family driven to pit love against loyalty, with devastating consequences Isma is free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to--or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Teach Your Kids to Code Bryson Payne

2015-04-01 Teach Your Kids to Code is a parent's and teacher's guide to teaching kids basic programming and problem solving using Python, the powerful language used in college courses and by tech companies like Google and

IBM. Step-by-step explanations will have kids learning computational thinking right away, while visual and game-oriented examples hold their attention. Friendly introductions to fundamental programming concepts such as variables, loops, and functions will help even the youngest programmers build the skills they need to make their own cool games and applications. Whether you've been coding for years or have never programmed anything at all, Teach Your Kids to Code will help you show your young programmer how to: -Explore geometry by drawing colorful shapes with Turtle graphics -Write programs to encode and decode messages, play Rock-Paper-Scissors, and calculate how tall someone is in Ping-Pong balls -Create fun, playable games like War, Yahtzee, and Pong -Add interactivity, animation, and sound to their apps Teach Your Kids to Code is the perfect companion to any introductory programming class or after-school meet-up, or simply your educational efforts at home. Spend some fun, productive afternoons at the computer with your kids—you can all learn something!

American English Pronunciation Walter Sauer 2011 'American English Pronunciation: A Drillbook' is designed to accompany lecture courses on American English phonetics and language laboratory classes in American English pronunciation at university level. It is equally suitable as a self-instructional program for anyone wishing to improve their American English pronunciation. Part I (Pronunciation Practice) provides pronunciation exercises to be used in conjunction with additional audio material (available on request) or following the model of a native speaker. Part II (Transcription Practice) presents model texts for phonetic transcription. In both parts, orthographic text and phonetic script appear on facing pages. Several phonetic puzzles are also included.

Plast: Ukrainian Scouting, a Unique Story Orest Subtelny 2016-12-01 In this book, the renowned historian Orest Subtelny, who wrote *Ukraine: A History*, describes to us how, in 1911, a small group of teachers, whose people lived under foreign rule, at the crossroads of empires, took Baden Powell's idea, adapted it to their circumstances and formed a scouting

organization for the betterment of Ukrainian youth and to provide hope to the Ukrainian nation. The organization was buffeted by history — repression, war, emigration, dispersement throughout the world — and finally found renewal in a free Ukraine. It was an amazing journey, truly a unique story.

Legend, Myth, and Magic in the Image of the Artist Ernst Kris 1979-01-01 "This is the first English translation of a brief, scholarly, and brilliantly original work which sets out to examine the links between the legend of the artist, in all cultures, and what E.H. Gombrich, in an introductory essay, calls 'certain invariant traits of the human psyche.'"--Denis Thomas, *Journal of the Royal Society of Arts* "This book gathers together various legends and attitudes about artists, ancient and modern, East and West, and gives fascinating insights into attitudes toward artistic creation. It impinges on psychology, art history and history, aesthetics, biography, myth and magic, and will be of great interest to a wide audience in many fields.... A delightful and unrivalled study."--Howard Hibbard "Thought provoking and valuable.... To all those interested in psychiatry and art from the perspectives of history, criticism, or therapy and to the wide audience concerned with the psychology of aesthetics and of artistic creation."--Albert Rothenberg, *American Journal of Psychiatry*

The Babylonian Genesis Alexander Heidel
2009-06-24 Here is a complete translation of all the published cuneiform tablets of the various Babylonian creation stories, of both the Semitic

Babylonian and the Sumerian material. Each creation account is preceded by a brief introduction dealing with the age and provenance of the tablets, the aim and purpose of the story, etc. Also included is a translation and discussion of two Babylonian creation versions written in Greek. The final chapter presents a detailed examination of the Babylonian creation accounts in their relation to our Old Testament literature.

Digital Marketing Strategy of Porsche AG

Jakob Maas 2022-02-01 Seminar paper from the year 2021 in the subject Business economics - Offline Marketing and Online Marketing, grade: 93/100 Punkte, Linneaus University (University), course: Kurs, language: English, abstract: This paper provides an analysis of the current situation of Porsche within the market and on social media. Porsche needs to develop their social media to the next level for appealing to a new generation with different expectations. Forecasts have predicted a fourfold growth by 2050 in the car industry. With the development of Porsche's digital marketing strategy, in addition to supporting the achievement of the company's overall goal, the target audience will be attracted. With multichannel marketing and channel integration, leverage effects can be created, and the defined marketing objective can be achieved. Special attention is given to social media in this paper, with specific strategies for Instagram and YouTube. On these two platforms, Porsche's target audience overlaps with the user groups.
