Empirical Studies on Economics of Innovation, Public Economics and Management Mehmet Huseyin Bilgin
2017-03-06 This volume presents selected papers from the 18th Eurasia Business and Economics Society (EBES) Conference, with major emphasis placed on highlighting the latest research developments in the economics of innovation, public economics, and management. The articles in the volume also address more specialized topics such as luxury fashion, weather derivatives, health management, islamic bonds, and life satisfaction, among others. The majority of the articles focus on phenomena observed in the Middle East and North Africa (MENA) region and South Asia, representing a unique contribution to understanding contemporary research challenges from a different perspective.

A Biographical Dictionary of Women's Movements and Feminisms Francisca de Haan 2006-01-10 This Biographical Dictionary describes the lives, works and aspirations of more than 150 women and men who were active in, or part of, women's movements and feminisms in Central, Eastern and South Eastern Europe. Thus, it challenges the widely

held belief that there was no historical feminism in this part of Europe. These innovative and often moving biographical portraits not only show that feminists existed here, but also that they were widespread and diverse, and included Romanian princesses, Serbian philosophers and peasants, Latvian and Slovakian novelists, Albanian teachers, Hungarian Christian social workers and activists of the Catholic women's movement, Austrian factory workers, Bulgarian feminist scientists and socialist feminists, Russian radicals, philanthropists, militant suffragists and Bolshevik activists, prominent writers and philosophers of the Ottoman era, as well as Turkish republican leftist political activists and nationalists, internationally recognized Greek feminist leaders, Estonian pharmacologists and science historians, Slovenian 'literary feminists,' Czech avant-garde painters, Ukrainian feminist scholars, Polish and Czech Senate Members, and many more. Their stories together constitute a rich tapestry of feminist activity and redress a serious imbalance in the historiography of women's movements and feminisms.

Anarchy and Art Allan Antliff 2007-04-01 One of the powers of art is its ability to convey the human aspects of political events. In this fascinating survey on art, artists, and anarchism, Allan Antliff interrogates critical moments when anarchist artists have confronted pivotal events over the past 140 years. The survey begins with Gustave Courbet's activism during the 1871 Paris Commune (which established the French republic) and ends with anarchist art during the fall of the Soviet empire. Other subjects include the French neoimpressionists, the Dada movement in New York, anarchist art during the Russian Revolution, political art of the 1960s, and gay art and politics post-World War II. Throughout, Antliff vividly explores art's potential as a vehicle for social change and how it can also shape the course of political events, both historic and present-day; it is a book for the politically engaged and art aficionados alike. Allan Antliff is the author of *Anarchist Modernism*.

Colonizing Russia's Promised Land Aileen E. Friesen 2020-02-20 *Colonizing Russia's Promised Land: Orthodoxy and Community on the Siberian Steppe*, examines how Russian Orthodoxy acted as a basic building block for constructing Russian settler communities in current-day southern Siberia and northern Kazakhstan.

Forever Yours Samu Haber 2020-10-14 Burning ambition, brutal setbacks, meteoric rises, and unbelievable coincidences. Teetering on the edge of the abyss, risking everything, and reaching multi-national stardom. Not to mention life choices that could have sent the whole story in an entirely different direction. The life of Samu Haber – front man of Finnish rock band Sunrise Avenue ("Hollywood Hills", "Fairytale Gone Bad") and celebrity judge on *The Voice of Germany* – has been one

stupendous roller-coaster ride. His passion for music has been the constant that kept him sane throughout. Written in a brisk, engaging – and characteristically charming – style, this exclusive autobiography is Samu's true story: from shady encounters, narrow escapes, and a barrage of record-company rejections to muscling his own way into pan-European music stardom. With vivid recall and total candour, Samu charts his determined path to success – but also the price he and loved ones paid along the way: burnout, broken relationships, artistic crises, and one close call after another. At turns tender, hilarious, and incredible, this thrilling full-disclosure read is a must for all Sunrise Avenue fans and for anyone that dreams of something other than the ordinary.

Revolutionary Acts Lynn Mally 2016-11-01 During the Russian Revolution and Civil War, amateur theater groups sprang up in cities across the country. Workers, peasants, students, soldiers, and sailors provided entertainment ranging from improvisations to gymnastics and from propaganda sketches to the plays of Chekhov. In *Revolutionary Acts*, Lynn Mally reconstructs the history of the amateur stage in Soviet Russia from 1917 to the height of the Stalinist purges. Her book illustrates in fascinating detail how Soviet culture was transformed during the new regime's first two decades in power. Of all the arts, theater had a special appeal for mass audiences in Russia, and with the coming of the revolution it took on an important role in the dissemination of the new socialist culture. Mally's analysis of amateur theater as a space where performers, their audiences, and the political authorities came into contact enables her to explore whether this culture emerged spontaneously "from below" or was imposed by the

revolutionary elite. She shows that by the late 1920s, Soviet leaders had come to distrust the initiatives of the lower classes, and the amateur theaters fell increasingly under the guidance of artistic professionals. Within a few years, state agencies intervened to homogenize repertoire and performance style, and with the institutionalization of Socialist Realist principles, only those works in a unified Soviet canon were presented.

English as a foreign language for deaf and hard of hearing persons in Europe Ewa Domagała-Zyśk 2013

Life Histories of Ethnos Theory in Russia and Beyond

David G. Anderson 2019-02-25 The idea of ethnos came into being over a hundred years ago as a way of understanding the collective identities of people with a common language and shared traditions. In the twentieth century, the concept came to be associated with Soviet state-building, and it fell sharply out of favour. Yet outside the academy, ethnos-style arguments not only persist, but are a vibrant part of regional anthropological traditions. *Life Histories of Ethnos Theory in Russia and Beyond* makes a powerful argument for reconsidering the importance of ethnos in our understanding of ethnicity and national identity across Eurasia. The collection brings to life a rich archive of previously unpublished letters, fieldnotes, and photographic collections of the theory's early proponents. Using contemporary fieldwork and case studies, the volume shows how the ideas of these ethnographers continue to impact and shape identities in various regional theatres from Ukraine to the Russian North to the Manchurian steppes of what is now China. Through writing a life history of these collectivist concepts, the contributors to this volume unveil a world

where the assumptions of liberal individualism do not hold. In doing so, they demonstrate how notions of belonging are not fleeting but persistent, multi-generational, and bio-social. This collection is essential reading for anyone interested in Russian and Chinese area studies. It will also appeal to historians and students of anthropology and ethnography more generally.

Queen Elizabeth Family Enid Blyton 2015-09-03 Holiday dreams come true for one lucky family in Enid Blyton's classic Family Series. Mike, Belinda and Ann are going on the most exciting holiday yet! They'll sail all the way to New York on the Queen Elizabeth ocean liner and will stay for a whole two weeks. First published in 1951, this edition contains the original text and artwork. *The Compact Edition of the Oxford English Dictionary: Complete Text Reproduced Micrographically: P-Z, Supplement and bibliography* 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933.

Seaside Family Enid Blyton 2015-09-03 Holiday dreams come true for one lucky family in Enid Blyton's classic Family Series. This summer holiday Mike, Belinda and Ann are taking their caravans to the wonderful seaside town, Sea-Gull Cove. Right at the edge of the sea, this will surely be the best holiday ever! Only miserable Benjy is unhappy. Will the Caravan family find a way to cheer Beny up and enjoy sand and sea, or will he ruin the children's holiday? First published in 1950, this edition contains the original text and artwork.

The Serial Killer Coloring Book II Jack Rosewood

2020-05-19 This is the ultimate coloring book for serial killer fanatics and true crime fans. Discover your favorite serial killer in a totally unique and engaging way.

Enlightening Europe on Islam and the Ottomans Carter Vaughn Findley 2019 D'Ohsson's *Tableau général de l'Empire othoman* is the most authoritative, magnificently illustrated work of the Enlightenment on Islam and the Ottomans. A practical work for statesmen, the *Tableau* delighted all readers with profuse illustrations -- verbal and visual -- of Ottoman life.

Growing Up Mindful Christopher Willard 2016-06-01 The American Psychological Association's 2014 survey on stress made an alarming discovery: America's teens are now the most stressed-out age group in the country. *Growing Up Mindful* shows parents and professionals alike how to model and teach the skills of mindfulness that will empower our youth for the rest of their lives with greater self-awareness, resiliency, and confidence. While many adults now understand how mindfulness practice helps us alleviate the stress and anxiety of our busy modern lives, getting a typical teenager on board is another story. Dr. Christopher Willard draws on his work with hundreds of young children, tweens, and teens--along with countless hours training parents, teachers, and other counselors--to make the principles and practices of mindfulness accessible, entertaining, and cool for people of all ages and interests. Features dozens of exercises to incorporate mindfulness into daily life (in class, extracurricular activities, among peers), specific meditations and movement practices, compassion training, and more.

Twelve Years a Slave Solomon Northup 101-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State--and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years--it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Saucy Jane Family Enid Blyton 2015-09-03 Holiday dreams come true for one lucky family in Enid Blyton's classic Family Series. There's a beautiful houseboat on the canal, and Mike, Belinda and Anne are very lucky to spend their holidays on it. They have the best holiday treats, take a trip on a real canal boat and learn to swim. This holiday will be the best! First published in 1948, this edition contains the original text and artwork.

A.V. Chayanov on the Theory of Peasant Economy Aleksandr Vasil'evich Chaiĭaĭnov 1986

The SKETCH Olga Sorokina 2016-11-02 Meet this very actionable and fun book that, if you would work with, will definitely change your interior design project presentation and, possibly, even your whole creative life. This book is written particularly for interior designers and interior design students who are new to freehand sketching and want to master an amazing skill for better performance on the interior design scene. Here you will find a lot of tools, tips and tricks for freehand sketching. Richly illustrated this book can serve as a source of great inspiration, and for some of you it is going to become a desk book.

Thalaba the Destroyer Robert Southey 2019-02-23 This work has been selected by scholars as being culturally

important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Zoraida William Le Queux 1895

Soviet Women on the Frontline in the Second World War R. Markwick 2012-06-26 This is the first comprehensive study in English of Soviet women who fought against the genocidal, misogynist, Nazi enemy on the Eastern Front during the Second World War. Drawing on a vast array of original archival, memoir, and published sources, this book captures the everyday experiences of Soviet women fighting, living and dying on the front.

Boundaries Henry Cloud 2008-09-09 Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are

not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

Borderlands Biography Beata Halicka 2021-10 Beata Halicka's masterly narrated biography is the story of an extraordinary man and leading intellectual in the Polish-American community. Z. Anthony Kruszewski was first a Polish scout fighting in World War II against the Nazi occupiers, then Prisoner of War/Displaced Person in Western Europe. He stranded as a penniless immigrant in post-war America and eventually became a world-renowned academic. Kruszewski's almost incredible life stands out from his entire generation. His story is a microcosm of the 20th-century history, covering various theatres and incorporating key events and individuals. Kruszewski walks a stage very few people

have even stood on, both as an eye-witness at the centre of the Second World War, and later as vice-president of the Polish American Congress, and a professor and political scientist at world-class universities in the USA. Not only did he become a pioneer and a leading figure in Borderland Studies, but he is a borderlander in every sense of the word.

The Electrification of Russia, 1880–1926 Jonathan Coopersmith 2016-11-01 The Electrification of Russia, 1880–1926 is the first full account of the widespread adoption of electricity in Russia, from the beginning in the 1880s to its early years as a state technology under Soviet rule. Jonathan Coopersmith has mined the archives for both the tsarist and the Soviet periods to examine a crucial element in the modernization of Russia. Coopersmith shows how the Communist Party forged an alliance with engineers to harness the socially transformative power of this science-based enterprise. A centralized plan of electrification triumphed, to the benefit of the Communist Party and the detriment of local governments and the electrical engineers. Coopersmith's narrative of how this came to be elucidates the deep-seated and chronic conflict between the utopianism of Soviet ideology and the reality of Soviet politics and economics.

The Harbinger Companion With Study Guide Jonathan Cahn 2013-01-08 The New York Times best seller The Harbinger now has an indispensable companion that will enable you to go deeper into the prophetic revelations and decode the mysteries that have caused a stir throughout the nation.

Pole Star Family Enid Blyton 2015-09-03 Holiday dreams come true for one lucky family in Enid Blyton's classic Family Series. After a miserable summer full of runny

noses and chesty coughs, Mike, Belinda and Ann are terribly excited about Granny's offer to take them on the cruise of a lifetime. The gorgeous cruise ship, Pole Star is the so much fun and takes them to exotic markets and breathtaking castles in Portugal, the Canary Islands and even Africa. This will be the best holiday ever! First published in 1950, this edition contains the original text and artwork.

Word Drops Paul Anthony Jones 2019-09 If you're logofascinated, you are literally spellbound by language. Word Drops is a language fact book unlike any other, its linguistic tidbits all falling together into one long interconnected chain just with each fact neatly 'dropping' into place beside the next. What's more, throughout, footnotes are used to give informative and intriguing background to some of the most bizarre facts, covering everything from traditional Inuit games to the

origin of the Bellini cocktail, from the precise length of one 'jiffy' to what the Romans thought hoopoe birds ate, and from what to expect on a night out with Dr Johnson to Samuel Pepys's cure for a hangover. Want to know the longest palindrome in Morse code, or who The Great Masticator was? Curious to know what Norwegian steam is, or what a jääär is? The answers are all here. For all of the logofascinated among us, this is an immensely pleasurable and unpredictable collection that is guaranteed to raise eyebrows (the literal meaning, incidentally, of supercilious). 'Brilliant for anyone interested in the effervescent oddness of English' -- Stig Abell

The Musical Times 1907

New York Times Saturday Review of Books and Art 1969

Orc Warfare Chris Pramas 2017-12-15 Despite their constant infighting and backstabbing, orc horde armies remain a dire threat to all races. To them, war is life. Beginning with an examination of the fighting methods of the individual orc warrior, the book expands to look at how they do battle in their small warbands and in vast armies. Using vivid illustrations, it reveals the tactics, strategies, and technology of all the orc troop types, from lightly armed archers and heavily armored shock troops to their wolf cavalry and siege engines. Finally, it explores specific key battles to develop the fullest possible understanding of these loathsome, terrifying creatures and the ways in which they wage war.

English as a Foreign Language for Deaf and Hard-of-Hearing Persons Ewa Domagała-Zyśk 2016-09-23 Deaf and hard-of-hearing students form a specific group of foreign language learners. They need to use foreign languages just like their hearing peers if they want to

enjoy the same benefits of globalization and technical advancements of today, yet they cannot take part in the same foreign language education. As sign language users, lip-readers or persons relying on hearing aids or cochlear implants in their everyday communication, they need special support in learning a foreign language. This book has been written by teachers and researchers involved in teaching English as a foreign language (EFL) to deaf and hard-of-hearing students in various different European countries, including the Czech Republic, France, Hungary, Norway, Poland, and Serbia. The chapters mirror both the authors' personal journeys through this field and give insight into various aspects of empirical research into the foreign language acquisition of hearing-impaired learners. They discuss mainly the issue of specific methodology for teaching EFL vocabulary, grammar, reading, writing and speaking to deaf and hard-of-hearing persons and the challenge of effective communication during the classes via sign language, cued speech or the oral approach. Special chapters are also devoted to EFL teachers' experience in special schools for the deaf. Educators interested in practical advice, responses to challenges and worked-out solutions to problems will particularly welcome this book as a useful source of ideas. It will also help novice teachers embarking on their careers in English language education for deaf and hard-of-hearing children and adults.

The Theory of Peasant Co-operatives Alexander Chayanov 1991

Modernism and Public Reform in Late Imperial Russia Ilya V. Gerasimov 2009-08-12 This book is a comprehensive reconstruction of the successful attempt by rural professionals in late imperial Russia to engage peasants

in a common public sphere. Covers a range of aspects, from personal income and the dynamics of the job market to ideological conflicts and psychological transformation. Based on hundreds of individual life stories.

Revolution of the Mind Michael David-Fox 1997 Content Description #Includes bibliographical references (p.) and index.
